Brandon Lewis

necessary, fight for Great Yarmouth.

I have a background in business and education and intend to bring the success I have enjoyed in my work to the challenge ahead for our community and our Country.

I want to work with you on the issues that concern us all:

crime and anti social behaviour, the need for better health care and public services, education and providing a prosperous future for our constituency in rural and urban areas.

It is vital that we work together to succeed in the great challenges that lie ahead of us with the changes that could affect our environment as a result of global warming and the need to support and help to develop and improve our health care services."

Over the coming weeks and months, Brandon will be working hard, visiting every town and village to discuss YOUR priorities and concerns. However, if you would like to discuss anything with Brandon, then please do not hesitate to contact him on Brandon@brandonlewis.org or telephone: 07071 2289999

Great Yarmouth Conservative Candidate Chosen

Great Yarmouth Conservative Association has unanimously adopted a 35-year-old company director as its candidate for the next General Election during a Special General Meeting held this week.

Brandon Lewis, who is currently Leader of Brentwood Borough Council in Essex, was chosen from a field of applicants that resulted in a final of 4 candidates.

Chairman of the Great Yarmouth Conservative Association, Cllr Barry Stone said: "We believe that Brandon is the right choice for Great Yarmouth as he brings a blend of experience and enthusiasm which will bring big benefits for our Borough and its residents.

"As a successful businessman and Director of Woodland Schools Limited, running two independent primary schools in Essex, we believe that experience is an important benefit for our next Member of Parliament.

"Brandon is also heavily involved in fund raising for charity having raised £7,000 when he ran in the Flora London Marathon last year which was just one of the fundraising activities he has been

involved with as part of his commitment to the community.

"He is no stranger to Great Yarmouth as his family ran a business in this area.

"We are looking forward to working with him as he campaigns on behalf of local residents in this constituency and we know that everyone who meets him in the local community will be as impressed as we are by him."

Mr Lewis said: "Great Yarmouth is a seat crying out to be represented by a strong and determined Member of Parliament and I am pleased to be selected to achieve that objective.

"My political priorities are simple. I believe we need to reform the way public services work and return power over decision making to the professionals who know best and work hard for local residents.

"We also need to develop more power for residents and users of the various public services to have more choice over where they go to school, how they are treated and how they are looked after.

"I want to use my drive and enthusiasm to be part of the team that returns a Conservative government; one which will deliver for us and to help work to cut the red tape that stunts so much of our growth and potential as a country.

"I am confident these priorities are shared by residents of Great Yarmouth and that together we can make them a reality."

Brandon Lewis is married with two children, a daughter aged 3 years and a son aged 6 years.

Brandon welcomes recycling success

Brandon Lewis has welcomed the success of Conservative controlled Great Yarmouth Borough Council in dramatically improving recycling rates within the Borough. From a poor 2% recycling rate in 2000, now over 20% of waste is recycled – a tremendous improvement. Commenting, Brandon said, 'this just shows what can be achieved when the Council and local residents work together to make our local community a better place to live.' Brandon was given the best wishes of Conservative party Leader David Cameron MP, who saw him off from Shenfield to Great Yarmouth (via Norwich) recently. Brandon said "I am honoured to have been given the chance to work for Great Yarmouth and I look forward to representing the residents of Great Yarmouth in the years ahead. I hope to meet as many residents as possible over the next few months to ensure you let me know what matters to you."
